Origin of Native Americanism.

Winfield Scott. When third parties are formed they Courier. always afford a resting place for the political laggards, who fall behind in the march of their respective parties. That renegades from the Democratic party may have sought a resting place at the half way house of Native- nation as "unanimous," as is done in the letter apprizsought a resting place at the hall way house of Nativethe countenance and support of the Democratic party, or terly against the will and fifty-times-repeated vote of numbered among its votaries any considerable numbers, every southern State; and because the central organ of or men of influence, of the Democratic party, is utterly is a sectional triumph of the northern Whigs over the untrue Gen. Henry A. Dearborn, who was the prime Whigs of the south; and because the Whigs of at least mover of the party and its acknowledged leader at Bos- one of the southern States, which voted for Gen. Taylor ton, was a well known Whig. James Harper, the Scott, and are now giving up their Whig organization only Native American ever elected as Mayor of New York, was originally a Whig. In 1844, the Natives the 16th of next month, to see where they shall go and elected to Congress, from the city of New York and what they shall do. To call Gen. Scott's nomination Brooklyn, four members of Congress, William W. absurdity, however the term may have been selected Campbell, William S. Miller, Thomas M. Woodruff, and under cover of some sort of a resolution to that effect Henry I. Seaman. These gentlemen were all original which probably few voted for, and which assuredly now Whigs, and since the disruption of the Native party in body believed in -Wash. Union. New York, they, together with Mayor Harper, have The Detroit Free Press-by the way, one of t gone back to their first love-Whiggery. At the same ablest Democratic papers in the Union says: election, in Philadelphia city and county, two Natives | Gen. Scott says in his letter Wm. E. Robinson th and have since either voted the Whig or Native ticket. offers a large bet to sustain its assertion! First, Ge In 1848, they both voted for General Taylor, and carried Scott wrote the letter under excitement; secondly, with them the whole Native vote, and in return, Gen.
Taylor appointed William D. Lewis collector of the port of Philadelphia, and John W. Ashmead, District failed in the midst of battle; secondly, he wan't in the Attorney of Pennsylvania—both leading Natives. In battle at all; and thirdly, he was forced to go to Mexic —was no volunteer like Gon. Scott, and was a cowar Philadelphia city and county, the Whigs and Natives after he got there; fourthly and lastly, he never was have for several years past united and divided the county Mexico at all. This last we shall have in a few day

All will remember the celebrated letters and specches of Wm. S. Archer, the Whig Senator from Virginia, in IT The New York Heraid, which did so much servi favor of Nativeism. No one will doubt his Whiggery, for Gen. Taylor in the campaign of '48, is now qu He was a member of the recent Whig convention, and was entrusted with the secret and private correspondence the Whig candidate on every side—gunpowder is at of Gen. Scott. Now we challange the whole Whig party discount-Chapultepec will not do-the great principle to give the name of a single influential Native American and the great issues of the day and of the age, w who was ever a Deincerat.

State of Parties,

Whig office holder, contains a long article on the State ples." of Parties, from which we make the following extract,

We have been at some pains to examine the figures James Lyons, John R. Chamblin, and Hunter H. Mr. and see what the chances of the two great parties, Whig shall, Whig candidates for electors in Virginia, refu and Democratic, in view of their present position are, to serve in consequence of the nomination of Scott.

We must confess that the hopes of a Whig triumph in Joshua Brick, of Cumberland county, a leading Wh November, are opposed by a stern array of facts. Ex- of West Jersey, and one of the Taylor electors in 184 cept in this State, Vermont, Tennessee and Wisconsion, is out for Pierce and King, and will exert himself, i the Whigs have not a Governor, nor a Legislature, save their election.
in Kentucky, which offsets the Democratic Legislature W. S. Parham, substitute Whig elector in the of Wisconsin. In Congress, the Whig show is equally District, Louisiana, declines to serve in behalf of Ge bad—nay worse. In the the Senate against 23 Whigs, Scott. It is reported that Isaiah Garrett, the elector are 34 regular Democrats; 3 quasi Democrats, alias has also declined. Freesoilers and 2 vacancies. In the House, against 78

Legislatures against 27 Democratic, leaving a Demo-eratic balance of 23 States; joint Whig vote in Congress 111 against 174 Democratic, 8 Free Soil, and 2 vacanies.

Our Whig friends need be in no burry to use tan leaving a Democratic balance, without Freesoilers, of

the Whig strength to be not far from 1,260,000 votes, while the Democratic vote stands about 1,440,000—
leaving a Democratic balance of 180,000 votes. We have not recorded the Abolition vote of New York—
some 5000, as cast for Chaplin, nor the Native vote of New Jersey and Pennsylvania, some 4000, as cast at

Warren Township.

At a meeting of the Democrats of Warren township, held pursuant to notice, the following persons were apcinted delegates to attend the County Convention, to J. Baker, B. Fowler, J. Davis. — Schriver, F. Kinby, that State, and will prove a serious thorn in the flesh of Unicks, J. Bacon. J. McConnel, Wm. Vansickle, G. he held the first Saturday in August next, to-wit: White, T. Linek, - Treiser, J. Kitby, C. Clark, H. Brady, J. Clinton, Wm. Hunter, - Wishmire, A. Morehouse, P. Waggoner, E. N. Shimer, J. Hunter, Wm. Higden, H. Plackey, J. Silver, Anthony Wanpinner and Stephen S. Brown, junior. HENRY BRADY. July 10th, 1852.

IFA letter, dated at Washington on the 2d, says "It is a disgraceful fact that many Whigs of the Scott faction in this city are already speaking disrespectfully of Mr. Clay, because he did not, in language, approve and sanction the nomination of Gen. Scott, although it was earnestly desired by them. The truth is, Mr. Clay favored Mr. Fillmore's pretensions, and disapproved Scott's. Hence the censure."

Pierce and Clay.

On the afternoon of the 2d, at Concord, New Hamp shire, a meeting was held to devise proper measures to honor the memory of Mr. CLAY. The Hon. FRANKLIN PIERCE, the Democratic candidate for the Presidency, was present, and delivered an elequent eulogium on the character and public services of Mr. CLAY, alluding particularly to his noble exertions in framing and per feeting the Compromise measures.

Significant!—When Mr. Fillmore's friends despaired of his nomination, before the Whig National Convention, they telegraphed him to know what they should do. His reply was: "Vote for Mr. Webster, and SAVE THE WHIG PARTY!"

IF The little daughter of W. Lewis, at Defiance Ohio, was poisoned to death last week, by cating eand, which had been colored by some poisonous substance.

Powder Magazine Exploded.

Since the Whigs have attempted to throw the responsibility of the organization of the Native American sibility of the organization of the Native American party on the Democrats of New York and Philadelphia, we have looked into the history of this party with some care, and find that the charge is utterly destitute of truth. Although Nativeism had its votaries for many years before that time, it never assumed a formidable years before that time, it never assumed a formidable of the new party of the south-east part of town, was a new least south-east part of town. years before that time, it never assumed a formidable in a deep ravine, in the south-east part of town, was a organization until 1843 and '44. Gen Scott says he entertained Native American views as early as the spring of 1835. In 1840, by the aid of two friends, he drew up his celebrated appeal for the organization of a Native American party. He to that time there had been no jured, particularly the beautiful dwellings of Peter in a deep ravine, in the south-east part of town, was a searly as the spring discovered a few feet above the send fifty-two; and which shall be assessed, levied, and collected seconding to law. Whenever, in the south-east part of town, was a small frame building, elevated a few feet above the ground. Two hours before the explosion the house was discovered to be on fire. Scarcely a house in town that was not more or less injured. The walls of several of the immediate taking effect of this act, to the end that the several County Auditors may, in due time, be certified of the immediate taking effect of this act, to the end that the several County Auditors may, in due time, be certified of the immediate taking effect of this act, to the end that the several County Auditors may, in due time, be certified of the immediate taking effect of this act, to the end that the several County Auditors may, in due time, be certified of the immediate taking effect of this act, to the end that the several County Auditors may, in due time, be certified of the current years and fifty-two; and which shall be assessed, levied, and collected sound for the current years and fifty-two; and which shall be assessed, levied, and collected sound for the current years and fifty-two; and which shall be assessed, levied, and collected was not more or less injured. The walls of several of the intention of the current years and fifty-two; and which shall be assessed, levied, and collected was fifty-two; and which shall be assessed, levied, and collected with the several county and fifty-two; and which shall be assessed, l American party. Up to that time there had been no distinctive organization, or General Scott's address would have been unnecessary. There had been no organization, doors burst open, windows broken, plaster tion perfected in 1841, when the General wrote his cole- knocked off, walls cracked, and other injuries sustained. | counties in this State brated letter to Reid, for he there advises as to names, distant, were nearly all broken in.
